**Volunteer to Help with Refreshments** - Call Doreen Long-Harris at  
(856) 964-4545

---

**Please Join Us! On May 7th, Fellowship House, NJ Tree Foundation, Residents of Camden's Waterfront South Neighborhood** and interested **volunteers** will work together from 9:00am to 12:00pm to plant 30 beautiful trees to compliment the new **Butterfly Park Playground** and revitalized green space for Camden children enrolled in Fellowship House's after-school and summer camp programs.

**NJ Tree Foundation** will provide the tools, training, water, and gloves. Just wear some old clothes and sturdy shoes, then come have some fun!

**Celebrate! A Community Dedication Ceremony** will follow the Tree Planting. We will gather as a community to thank our sponsors, share refreshments and inaugurate **Butterfly Park**.

**Remember to sign up! Call Jessica (856) 287-4488 to plant trees. Call or Email Doreen (856) 964-4545, [fellowshiphouse1@gmail.com](mailto:fellowshiphouse1@gmail.com) to help with refreshments and/or attend the Dedication.**
